The £1 Hospital

A lifeline Healthcare Initiative for Bangladesh

The £1 Hospital is a UK-registered charity, founded in June 2015, with a mission to make quality healthcare accessible and affordable for underserved communities in Bangladesh. Rooted in the principles of compassion, equity, and sustainability, the charity focuses on providing free or low-cost medical services to the most vulnerable, while offering affordable paid care to ensure long-term operational viability.

Our flagship initiative is the establishment of a 50-bed, British-standard general hospital in Biswanath, Sylhet-a region where millions of people still lack access to even the most basic medical services. Strategically located, the hospital will serve not only Biswanath but also surrounding areas such as Jagannathpur, Osmani Nagar, Balagonj, and Dakhin Surma upozila, becoming a central healthcare hub for the Sylhet division-home to over 10 million people.

Since 2017, The £1 Hospital has been running a Free Friday Clinic in Biswanath, providing essential healthcare services on a weekly basis. The charity has also stepped forward during emergencies-such as the COVID-19 pandemic and the devastating floods of 2022-offering critical medical aid, distributing essential supplies, and delivering mobility support, including wheelchairs, to those most in need.

At the heart of our funding model is the concept of “The £1 Hospital”-a global appeal encouraging individuals to donate just £1 per month. This simple yet powerful idea demonstrates how small, collective, and consistent contributions can create lasting, sustainable change.

In Bangladesh, access to quality healthcare remains an overwhelming challenge for millions, particularly those in rural and low-income communities. Despite economic progress, the healthcare system remains severely underfunded, unevenly distributed, and heavily reliant on out-of-pocket payments, which account for over 69% of total health expenditures. This financial burden pushes approximately 600,000 people into extreme poverty every year, while over 3.5 million individuals forgo treatment altogether because they cannot afford it. Maternal and child health are particularly concerning, with 50% of women giving birth without skilled assistance and an infant mortality rate of 20 per 1,000 live births-figures that starkly contrast with those of developed nations.

These statistics reflect real human suffering. Our Founder Chairperson & CEO, Dr. M S Ali (Mamun), a renowned allergy specialist and aesthetic dermatologist, has been serving in Biswanath and the surrounding areas since 1992. Over the decades he has personally witnessed the devastating impact of inadequate healthcare on countless lives:

- Children are dying due to the lack of medicine that costs as little as £1.
- Mothers lost to preventable childbirth complications.
- Families turning to superstition in desperation when no medical care was accessible.

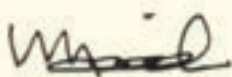

These heart-wrenching realities inspired the creation of 'The £1 Hospital'-a grassroots, humanitarian response to a healthcare crisis that continues to claim lives unnecessarily.

Thanks to overwhelming community support, 'The £1 Hospital' now owns 67 decimals of land, with an additional 26 decimals currently in the process of registration. Construction of a six-story hospital building is actively underway. On 27 January 2024, the foundation stone was laid by international humanitarian Imam Qasim Ahmad, Founder of Al-Khair Foundation-marking a moment of new hope and momentum for the people of this area.

To complete the hospital and commence full-scale operations, 'The £1 Hospital' urgently seeks further funding, global support, and strategic partnerships from individuals, institutions, and international donors. This is not merely a construction project-it is about building a lifeline. A sustainable, inclusive healthcare system that restores dignity, saves lives, and offers hope to all-regardless of race, religion, or financial ability.

We invite you to join us in turning this vision into reality.

Human for Human.

- Free Friday Clinics operational since March 2017
- Emergency relief provided during COVID-19 and 2022 floods.

Target Groups

- Disadvantaged individuals without access to healthcare.
- Economically vulnerable families at risk of falling into poverty due to medical costs.
- Orphans and elderly people lacking family or financial support.

Core Goals

- Provide free/low-cost healthcare for the poorest.
- Offer affordable services to prevent health-related poverty.
- Build a British-standard 50-bed general hospital.
- Promote medical education, research, and health awareness.
- Foster UK-Bangladesh collaboration through compassionate action.

Key Features

- Sustainable Funding Model: Based on a £1/month (or equivalent) contribution from individuals worldwide.
- Culturally Sensitive & Inclusive: Treating all patients with dignity, regardless of religion, race, gender, or political belief.
- Scalable Model: Designed for replication in other underserved regions.

Urgent Needs

- **£500,000** to complete hospital construction ground floor, equip services, and launch primary operations.
- Funding for medical equipment, staffing, and ambulance services, diagnostics & pharmacy.

Call to Action

We invite individuals, organizations, donors, and governments to stand with us and be part of a humanitarian movement built on dignity, equity, and sustainability.

Join us with just £1/month and help change lives. To build this hospital please be a Founder Member or Founder Patron or any sort of donation you may prefer.

Together, we are stronger. Together, we stand as human for human.

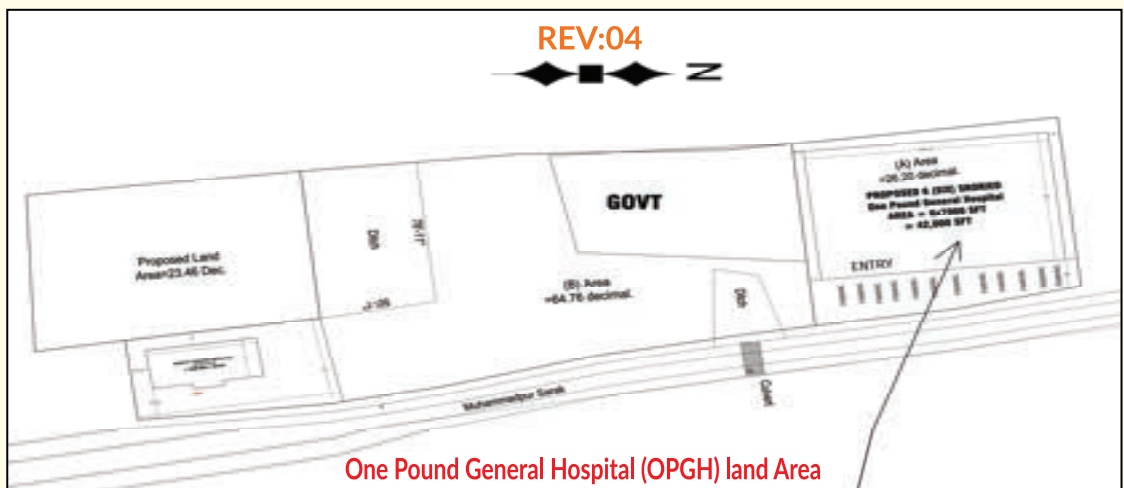

Location Map: Land Area

Location Summary: Biswanath, Sylhet – A Strategically Positioned Hub for Rural Healthcare

Biswanath, located in the north-eastern region of Bangladesh, is a sub-district of Sylhet Division known for its cultural heritage and strong ties to the UK-based Bangladeshi diaspora. It holds geographical significance due to its strategic proximity to several surrounding upazilas, including Osmani Nagar, Balagonj, Jagannathpur, and Dakshin Surma—all of which face similar challenges in accessing quality healthcare.

The site for the One Pound General Hospital (OPGH) lies near the Dhaka–Sylhet Highway, offering excellent connectivity and making it easily accessible for hundreds of thousands of residents in adjacent rural areas. This central and accessible location enhances the hospital's potential to serve as a regional medical hub, bringing free and affordable care to some of the most underserved populations in Sylhet and beyond.

Architectural Design of OPGH

The design of One Pound General Hospital (OPGH) contains the optimum orientation of medical facilities and offices for quick and efficient services. The architectural plans can be seen-

CURRENT STATE OF THE CONSTRUCTION OF OPGH: AUGUST 2025

Vision

To ensure accessible healthcare for disadvantaged communities in Bangladesh by providing free or low-cost essential medical services, while pioneering holistic oriental medicine and establishing Sylhet's First Allergy and Immunotherapy Centre.

Mission

To deliver compassionate and affordable healthcare to underserved communities by combining modern medical services with natural healing methods like Cupping Therapy, Acupuncture, and Moxibustion, while promoting care, education, research, and establishing Sylhet's first Allergy and Immunotherapy Centre to improve lives and reduce suffering.

Core Objectives

- ① **Provide Free or low-cost Healthcare Services:** Offer medical treatment at no cost or low cost to the poorest and most vulnerable individuals.
- ② **Poverty Reduction Through Affordable Healthcare:** Reduce health-related poverty by offering affordable care to low and middle-income populations, minimizing out-of-pocket medical expenses.
- ③ **Promote Medical Education & Research:** Facilitate training, knowledge-sharing, and evidence-based research to improve healthcare delivery and encourage local innovation.
- ④ **Support for Orphans and the Elderly:** Provide safety, care, and dignity to orphans and elderly individuals who lack family support or financial security.
- ⑤ **Establish Partnerships & Ensure Financial Sustainability:** Build long-term collaborations and revenue models to secure the sustainability and scalability of healthcare services.

Our Values – C.O.R.P.T.

Compassion - Caring for others with empathy and humanity.

Openness - Committing to transparency, honesty, and accountability.

Respect - Valuing every individual with dignity and fairness.

Partnership - Collaborating with stakeholders to maximize impact.

Teamwork - Working together effectively toward shared goals.

Our Mission in Action

1. Providing Essential Healthcare to the Poorest

At the heart of 'The £1 Hospital & Al-Khair Foundation' is the goal of delivering primary healthcare services to underserved communities-starting with outdoor clinics, and gradually expanding to include:

- Diagnostic and Pharmacy Services
- Accident & Emergency Care
- Indoor Services-including maternity, allergy, diabetic, oriental and chronic care.

2. Reducing Poverty Through Affordable Healthcare

Healthcare costs in Bangladesh are a leading cause of poverty. According to BMC Health Services Research (2025), over 8.6 million people fall into poverty annually due to out-of-pocket health expenses.

The £1 Hospital directly addresses this crisis by:

- Providing free / subsidized care to the poorest, ensuring they are not forced to choose between treatment and survival.
- Offering low-cost services to middle-income families, reducing out-of-pocket expenditure.

Implementation Plan

The implementation of OPGH will be phased, strategically designed to ensure steady progress, accountability, and sustainability.

Phase 1: Infrastructure Development (In Progress)

- Acquisition of land (Completed: 67 decimals): Further 26 decimals registration in progress.
- Construction of a six-storey hospital building (Underway).
- Basic utilities setup (water, sanitation, power backup).

Phase 2: Service Launch (Planned)

- Outpatient services (maternity, diabetic and general practice).
- Set up a low-cost pharmacy and pathology lab.
- Recruitment of medical and administrative staff.

Phase 3: Service Expansion

- Indoor services including emergency care, general medicine, and minor surgeries.
- Full maternity ward and neonatal care unit.
- Set up Oriental, allergy and immunotherapy clinic.
- Introduction of telemedicine services to reach remote populations.

Phase 4: Social Care Programs

- Establishment of an Education & Training Unit for medical research and skill-building
- Community outreach for health awareness and prevention. Each phase will be monitored with clear milestones, ensuring transparent use of funds and measurable impact.

Funding Requirements & Plan

Funding Sources: Donations from expatriates, especially UK based & international donors, TV & Social media appeal.

- Corporate & NGO sponsorships: Partnerships to support specific services or projects.
- Community Fundraising Initiatives: Local events and campaigns to raise funds and Immediate Financial Needs.

How Can You Contribute – and Why Should You?

You can be a part of this noble initiative-establishing a modern general hospital-through your time, effort, or financial contribution.

Any amount of donations including wills, land, from individual or organisations of charitable, government and non-government.

Even a single brick, a bag of cement, a bundle of rods, or a handful of sand-any amount you give-makes a meaningful difference. Your contribution can become a lasting Sadaqah Jariyah (ongoing charity), a source of peace, honor, and salvation in both this world and the hereafter.

This project is not just about constructing a building-it's about building a center of healing and hope for the community. And to inspire others to join, we have outlined how contributors will be respectfully recognized for their generosity.

Ways to Participate & Be Recognized:

1. As a Volunteer

You can actively support this mission by becoming a volunteer, helping with fundraising, and encouraging others to contribute.

2. As a General Donor

By donating a small, fixed amount monthly, you can become a regular supporter and join us. However, 'The £1 Hospital' has some honor in exchange of your donations in addition to plenty of rewards from Al-mighty Allah SWT.

3. As a Founder Member

With a donation of £1,000 (or equivalent), you will be honored as a Founder Member. Your name and address will be permanently displayed on the hospital's 'Wall of Honor.'

4. As a Founder Patron

By donating £10,000 (or equivalent), you will be recognized as a Founder Patron, and your name with passport-size photo will be displayed on the 'Wall of Honor.' Room, Ward, or Land donors will also be acknowledged with dedicated recognition as per hospital policy.

5. Munificent Donor:

Those contributing an amount above £10,000 will be recognized as Munificent Donors. Their names will be recorded in the hospital's official history, and the 'Wall of Honor' as per charity policy, inspiring future generations to give and serve.

A Divine Promise:

"Those who spend their wealth by night and by day, in secret and in public, will have their reward with their Lord. They will have no fear, nor will they grieve."

(Surah Al-Baqarah: 274)

We invite everyone-regardless of group, belief, race, or background-to join hands in this humanitarian mission. Together, let us build a modern General Hospital, a sanctuary of health, service, and compassion.

Timeline for Service Launch

Phase Activity	Expected Completion
Phase 1: Completion of construction, interior setup, and utility installations	Uto 6 months
Phase 2: Procurement of medical equipment & recruitment of staff	Up to 4 months
Phase 3: Trial operations & phased service launch	The Middle of 2026

Targeted Soft Launch : Within 12-18 months, subject to funding availability.

Operational Strategy:

Initial Service Offerings

Upon launch, outpatient consultations will begin initially, with other services below to be added gradually. Diabetic screening tests and antenatal check-ups will be given priority.

- Basic diagnostic services.
- Essential pharmacy services.
- Emergency & first aid treatment.
- Maternity & pediatrics care.
- Allergy & Holistic Oriental Medicine.

Staffing Plan:

- Recruitment of doctors, nurses, and support staff.
- Training & capacity building.
- Partnerships with medical institutions for staffing support.

Sustainability & Growth:

- Developing long-term funding streams.
- Expanding services based on community needs and available source of funding.
- Establishing partnerships with local & international health organizations for collaborative projects and support.

Next Steps & Call for Support

To successfully launch the hospital's services, we need immediate funding and support in the following areas:

- Finalizing construction work on the ground floor.
- Setting up core medical services, including diagnostic facilities, pharmacy, and ambulance services.
- Recruitment of medical professionals and administrative staff: Ensuring a competent team to deliver quality care.
- Building partnerships with local and international healthcare providers.

With your continued support, One Pound General Hospital (OPGH) Biswanath, Sylhet will soon provide essential healthcare services to the people of Biswanath and adjacent upazilas' in Sylhet.

দি ওয়ান পাউন্ড হসপিটাল

কি এবং কেনো?

দি ওয়ান পাউন্ড হসপিটাল একটি ব্রিটিশ চ্যারিটি সংস্থা, যা সম্পূর্ণ অলাভজনক, অরাজনৈতিক এবং সেবামূলক। এটি ১১ জুন ২০১৫ সালে ব্রিটিশ চ্যারিটি কমিশনে নিবন্ধিত হয় (নিবন্ধন নং: ১১৬২১৫০)। সংস্থাটি যুক্তরাজ্য, বাংলাদেশ এবং যুক্তরাষ্ট্রে সমন্বয়কারী টিমের মাধ্যমে কার্যক্রম পরিচালনা করছে।

প্রধান উদ্দেশ্য হলো বাংলাদেশের গরীব রোগীদের বিনামূল্যে বা স্বল্পমূল্যে চিকিৎসা সেবা প্রদান। এই লক্ষ্য পূরণে সিলেটের বিশ্বনাথে ৫০ বেডের ব্রিটিশ স্ট্যান্ডার্ড ওয়ান পাউন্ড জেনারেল হসপিটাল (ওপিজিএইচ) প্রতিষ্ঠা করা হচ্ছে।

কখন এবং কিভাবে?

সংস্থাটির প্রতিষ্ঠার পর প্রায় দেড় বছর, স্থানীয় কমিউনিটি ও দেশ-বিদেশের বিভিন্ন মহলের দোয়া, সমর্থন ও সহযোগিতা লাভের জন্য নিরলসভাবে কাজ করা হয়। এর ফলশ্রুতিতে, ২১ জানুয়ারি ২০১৭ তারিখে লর্ড মেয়র অব পোর্টসমাউথ, ইংল্যান্ডের ব্যাংকুটিং হলে লর্ড মেয়র কাউন্সিলর ডেভিড ফুলারের পৃষ্ঠপোষকতায় এক অনাড়ম্বর অনুষ্ঠানের মাধ্যমে সংস্থার অফিসিয়াল যাত্রা শুরু হয়। একই বছরের ১০ মার্চ বাংলাদেশের সিলেট জেলার বিশ্বনাথ উপজেলার রামসুন্দর আদর্শ অগ্রগামী উচ্চ বিদ্যালয় মাঠে “ফ্রি ফ্রাইডে ক্লিনিক”-এর মাধ্যমে বাংলাদেশে কার্যক্রমের সূচনা হয়।

এ পর্যন্ত প্রায় পাঁচ হাজারেরও বেশী রোগী বিনামূল্যে চিকিৎসা সেবা পেয়েছেন। প্রতিবন্ধী রোগীদের হুইলচেয়ার বিতরণ, কোভিড-১৯ মহামারিতে খাদ্য ও চিকিৎসা সামগ্রী বিতরণ, বিনামূল্যে করোনা পরীক্ষা, টেস্টিং বুথ স্থাপন, অক্সিজেন সিলিন্ডার সরবরাহ, গুরুতর রোগীদের এককালীন সহায়তা এবং ২০২২ সালের প্রলয়ঙ্করী বন্যায় প্রায় ১০ লক্ষ টাকার ত্রাণ সহায়তা প্রদান করা হয়েছে-যা দাতাদের উদার দান ও সহযোগিতার ফসল।

কি হবে?

হাসপাতালটি প্রতিষ্ঠিত হলে বিশ্বনাথ ও আশেপাশের উপজেলা-জগন্নাথপুর, ওসমানীনগর, বালাগঞ্জ ও দক্ষিণ সুরমাসহ সিলেট বিভাগের এক কোটিরও বেশী মানুষ উপকৃত হবেন।

এখানে প্রদান করা হবে:

- উন্নত মাতৃসেবা।
- ডায়াবেটিস চিকিৎসা।
- আধুনিক অ্যালার্জি, অ্যাজমা ও ইমিউনোথেরাপি।
- কোরিয়ান ওরিয়েন্টাল মেডিসিনের মাধ্যমে ন্যাচারাল হিলিং।
- সকল প্রকার সাধারণ ও বিশেষায়িত চিকিৎসা।

এছাড়াও শত শত মানুষের কর্মসংস্থান সৃষ্টি হবে এবং দেশের জন্য দীর্ঘমেয়াদি রেমিটেন্সের উৎস গড়ে উঠবে।

বর্তমান অবস্থা

সংস্থার নামে ৬৭ শতক ভূমির রেজিস্ট্রি সম্পন্ন এবং আরও ২৬ শতক রেজিস্ট্রি প্রক্রিয়াধীন। এর মধ্যে ১৬ শতকের ওপর ৬ তলা বিশিষ্ট হাসপাতাল ভবনের

ডিজাইন, প্ল্যানিং ও পারমিশন সম্পন্ন হয়েছে। পাইলিং কাজ শেষ এবং মূল ভবনের নির্মাণ কাজ চলছে। ২৪ নভেম্বর ২০২৩ তারিখে আনুষ্ঠানিকভাবে নির্মাণকাজের উদ্বোধন হয়।

প্রবাসীদের দানে এখন পর্যন্ত নীচতলার ৭,০০০ বর্গফুট ছাদের ঢালাই সম্পন্ন হয়েছে।

- নীচতলার অসমাপ্ত কাজ শেষ করতে প্রয়োজন প্রায় ১.৫ কোটি টাকা।
- প্রাথমিক চিকিৎসা চালু করতে প্রয়োজন প্রায় ১.৫ কোটি টাকা।
- ডায়াগনস্টিক, ফার্মেসি ও অ্যাম্বুলেন্স সার্ভিস চালু করতে প্রয়োজন প্রায় ৪.৫ কোটি টাকা।

এই প্রকল্পটি ওয়ান পাউন্ড হসপিটাল ও এর পার্টনার সংগঠন আল খায়ের ফাউন্ডেশন ইউকে-এর যৌথ প্রচেষ্টায় বাস্তবায়িত হচ্ছে।

কোথায়?

কৌশলগতভাবে অবস্থিত এই হাসপাতালটি শুধু বিশ্বনাথ নয়, বরং জগন্নাথপুর, ওসমানীনগর, বালাগঞ্জ এবং দক্ষিণ সুরমা উপজেলা সহ আশেপাশের এলাকার মানুষদের সেবা দেবে। এটি সিলেট বিভাগের-যেখানে ১ কোটির বেশী মানুষের বসবাস-একটি কেন্দ্রীয় স্বাস্থ্যসেবা কেন্দ্র হিসেবে গড়ে উঠবে।

হাসপাতালটি বিশ্বনাথ সদর ইউনিয়নে, সিলেট-ঢাকা মহাসড়কের রশীদপুর থেকে মাত্র এক কিলোমিটার ভেতরে রশীদপুর-বিশ্বনাথ রাস্তার পাশে নির্মিত হচ্ছে।

আবেদন

দলমত, জাতি ও ধর্ম নির্বিশেষে, গরীবদের সেবায় এই হাসপাতাল প্রতিষ্ঠায় এগিয়ে আসার জন্য সকলের প্রতি আন্তরিক আহ্বান জানানো হচ্ছে।

কিভাবে সম্পৃক্ত হবেন এবং কেনো?

আপনি সময়, শ্রম ও অর্থ দিয়ে সম্পৃক্ত হতে পারেন। ইট, সিমেন্ট, রড, বালু কিংবা যেকোনো পরিমাণ অর্থ দান করে এই মহৎ কাজে অংশ নিতে পারেন। আপনার সম্পত্তি থেকে উইল প্রণয়নের মাধ্যমে হসপিটালের নামে দান স্বরূপ রেখে যেতে পারেন। এটি হবে আপনার পক্ষ থেকে একটি সদকায়ে জারিয়া-যা ইহকাল ও পরকালে শান্তি, সম্মান ও মুক্তির মাধ্যম হবে।

দাতাদের জন্য বিশেষ সম্মাননা:

- ফাউন্ডার মেম্বার: এক হাজার ব্রিটিশ পাউন্ড বা সমমূল্যের দান-নাম ও ঠিকানা চিরকাল 'Wall of Honour'-এ।
- ফাউন্ডার পেট্রন: দশ হাজার পাউন্ড বা সমমূল্যের দান-ছবি ও নাম 'Wall of Honour'-এ।
- রুম, ওয়ার্ড ও ভূমি দাতাদের সংস্থার নীতিমালা অনুযায়ী সম্মাননা প্রদান এবং হাসপাতালের ইতিহাসে নাম সংরক্ষণ।

আপনার অবদান প্রজন্মের পর প্রজন্ম গর্বের সাথে স্মরণ করবে এবং অন্যদের দানে অনুপ্রাণিত করবে।
